

# MELODY 1 LIFTING PLATFORM

## Melody 1 non-enclosed Lifting Platform

The Terry Melody 1 Lifting Platform offers an aesthetically pleasing solution to the problem of short-rise vertical wheelchair access outside and inside public buildings (or, where appropriate, domestic household situations). The innovative design ensures that special emphasis has been placed on the needs of both the lift user and the building owner in facilitating compliance with the current disability legislation.

### Complies with Part M of the Building Regulations and meets the requirements of the Disability Discrimination Act

- Open and unobtrusive design
- No enclosure or support tower required
- Easy to operate, tactile, illuminated constant pressure controls
- On car emergency lowering facility
- Lift carriage finished in attractive, durable stainless steel
- RAL colours available as an option
- Minimal builders work (ground ramp eliminates requirement for a pit)
- Pit option available for internal use if required
- Security options available e.g. Radio Enabler, Radio Isolate and Authorised Key Holder

### Standard Specification

Application range: People with impaired mobility and Wheelchair users. Internal & External Locations

Safe working Load: 250kg (hydraulic scissor operation)

Maximum travel: 1Metre (1000mm)
